5.2 No further interest, service fee, default interest or charge of any kind will be added to this account after that date.

7. NO SECURITY OR COLLATERAL IS HELD

7.1 QuickServe does not take any form of collateral or security for its loans, and did not take any for this loan.

7.2 QuickServe does not take, hold or use any client's bank card, PIN code, internet banking password, original Namibian identity document, original passport or original driver's licence as security or for collection. This is prohibited by the Microlending Act 7 of 2018, and we confirm that we held none of these items for this client at any time.

7.3 Where the client handed us an original document so that we could check it, we made a copy and returned the original immediately.

7.4 Copies of the client's identity document, payslip and bank statements are kept in our records as part of the affordability assessment file. They are treated as confidential and are not disclosed to anyone without the client's written consent, except where the law requires it.

8.1 So that any person reading this letter has an accurate picture, we record the client's payment conduct on this loan. The applicable box is marked:
