1. WHAT THIS QUOTATION IS

- 1.1** This document tells the client exactly how much is needed to close the loan identified in clause 2 **before** its agreed due date, and shows how that amount was worked out.
- 1.2** The client has the right to pay extra amounts, or to settle the whole loan early, at any time, in one payment or in several. QuickServe Cashloan may not charge any penalty for early settlement, and may only charge finance charges for the days the loan was actually used.
- 1.3** This quotation is **not a demand for payment**. Nothing is being called up early. It is information the client asked for, or that we offered, so that the client can decide.
- 1.4** This quotation is issued free of charge.

Amount in words	[AMOUNT IN WORDS] Namibia Dollars and [CENTS IN WORDS] cents
Compared with paying on the due date	N\$ [0.00]
The client saves	N\$ [0.00]

If this amount is paid in full on or before the date in clause 5.1, the loan is settled and the account is closed.

4. HOW WE CALCULATED IT

4.1 We charge finance charges only for the days the loan was actually used. We work it out in these steps:

Step	Description	Figure
A	Full loan term, from issue date to due date	[30] days
B	Days the loan was actually used, from issue date to settlement date	[00] days
C	Proportion of the term used ($B \div A$)	[0.00]
D	Interest for the full term	N\$ [0.00]
E	Service fee for the full term	N\$ [0.00]
F	Total finance charges for the full term ($D + E$)	N\$ [0.00]
G	Interest payable, worked out pro rata ($D \times C$)	N\$ [0.00]
H	Service fee payable, worked out pro rata ($E \times C$)	N\$ [0.00]
I	Total finance charges payable ($G + H$)	N\$ [0.00]
J	Principal advanced	N\$ [0.00]
K	Default interest already properly charged, if any	N\$ [0.00]
L	Sub-total ($I + J + K$)	N\$ [0.00]
M	Less payments already received	N\$ [0.00]
N	AMOUNT PAYABLE TO SETTLE ($L - M$)	N\$ [0.00]

4.2 "Pro rata" means in proportion to the days used. The finance charges payable on early settlement can never be more than the finance charges for the full term.

4.3 Worked example. A client borrows N\$2,000.00 on 1 March, due 31 March, a term of 30 days. The interest for the term is N\$500.00 and the service fee is N\$100.00, so the total finance charges are N\$600.00 and N\$2,600.00 would be repayable on 31 March. The client has made no payments and wants to settle on 13 March, which is 12 days after the money was paid out.

Step	Calculation	Figure
Days used ÷ full term	$12 \div 30$	0.40
Interest payable	$\text{N\$}500.00 \times 0.40$	N\$ 200.00
Service fee payable	$\text{N\$}100.00 \times 0.40$	N\$ 40.00
Total finance charges payable	$\text{N\$}200.00 + \text{N\$}40.00$	N\$ 240.00
Plus principal		N\$ 2,000.00
Less payments already made		N\$ 0.00
Amount payable to settle on 13 March		N\$ 2,240.00
Amount that would have been payable on 31 March		N\$ 2,600.00
Saving		N\$ 360.00

5. HOW LONG THIS FIGURE IS VALID

- 5.1** The amount in clause 3 is valid if QuickServe receives the money **on or before [DD MONTH YYYY]**.
- 5.2** If payment is made after that date, the amount changes, because finance charges are worked out by the day. From **[DD MONTH YYYY]** the amount increases by **N\$ [0.00] per day**, up to a maximum of the full amount that would have been payable on the original due date.
- 5.3** A fresh quotation is free. The client only has to call **+264 81 264 6222** and ask for an updated figure.
- 5.4** This quotation assumes that no further payment, charge or debit order goes through the account between the date of issue and the settlement date. If one does, we will recalculate and tell the client the corrected figure before treating the account as settled.

6. NO PENALTY FOR PAYING EARLY

- 6.1** QuickServe charges no penalty, no early settlement fee, no administration fee and no other charge for settling this loan early. The only amounts in this quotation are the principal, the pro rata finance charges for the days used, and any default interest already properly charged.
- 6.2** Paying early does not harm the client's record with us. It is recorded as a settlement in full.

- 8.2.1** cancel any debit order mandate for this loan and present no further debits;
 - 8.2.2** issue a Paid-Up Letter addressed "to whom it may concern", confirming that the loan is settled in full and the account is closed; and

9. IF THE CLIENT DECIDES NOT TO SETTLE EARLY

- 9.1** The client is under no obligation to act on this quotation. Asking for it costs nothing and changes nothing.
- 9.2** If the client does not settle early, the loan simply continues on its original terms, and the original amount remains payable on the original due date.

10. QUESTIONS AND COMPLAINTS
