
CLIENT RIGHTS AND COMPLAINTS CHARTER

What you are entitled to as a QuickServe Cashloan client, and how to complain if we fall short

Version [1.0] — issued [DATE]. A copy of this charter is given to every client and is displayed at our offices.

1. OUR PROMISE TO YOU

- 1.1** We will treat you with respect, whether you are up to date or behind.
- 1.2** We will tell you the full cost of your loan in Namibian Dollars and cents **before** you sign anything — not only as a percentage.
- 1.3** We will never hide a charge, never change a signed agreement behind your back, and never ask you to sign a blank page.
- 1.4** We are a microlender registered with NAMFISA under the Microlending Act 7 of 2018. Our registration number is [NAMFISA REGISTRATION NUMBER] and our certificate is displayed at our offices for you to see.

2. YOUR RIGHTS

Your right	What it means
A written quotation before you sign	Before you commit to anything, you get a written quotation showing the amount you will receive, the interest in N\$, the service fee in N\$, the total charges in N\$, the total you must repay, the issue date and the due date.
Plain language and an explanation	The agreement is written in plain language. We will explain it to you in a language you understand. If you cannot read, we will read it to you. You may bring your own interpreter.
Time to read it	You may read the agreement before signing. Nobody may rush you.
A free copy of your signed agreement	You get a copy of the signed agreement, free of charge, before or at the moment we hand you the money — not afterwards.
Never a blank document	Every figure and every date must be filled in before you sign. You may refuse to sign anything that is blank or incomplete.
Your originals stay with you	We do not take, hold or use your bank card, your PIN, your original Namibian ID, your original passport or your original driver's licence — not as security and not to collect. We take a copy and hand the original straight back. This is prohibited conduct under section 23(1)(f) of the Microlending Act 7 of 2018.
A statement of account	Ask us at any time for a statement showing every charge, every payment and the balance outstanding. Your first statement is free. A duplicate copy costs no more than [N\$2.00] per page.
Cancel within three business days	You may cancel your loan agreement within [THREE (3)] business days of signing it. You pay back the money you received at the same time, and you pay charges only for the days you actually had the money — not for the full period.
Settle early, with no penalty	You may pay extra, or settle the whole balance early, at any time. We may not charge you a penalty for settling early, and we may only charge finance charges in proportion to the days you actually had the loan.
A paid-up letter	When you settle in full, we give you a paid-up letter free of charge, without you asking, and we report your paid-up status to the credit bureau.
Privacy	We keep your information confidential. We do not discuss your account with your family, colleagues, neighbours or employer, in a group chat, or in public. Our Consent and Privacy Notice sets out the full detail.
Warning before handover	If your account falls into serious default, we will tell you in writing before we hand it to a debt collector or a lawyer, and before we start legal proceedings.
Fair treatment in arrears	If you fall behind, talk to us. We would rather agree a realistic arrangement than fight you.

Complain for free

Complaining costs you nothing and will never count against you in a future application.

3. WHAT WE WILL NEVER DO

- 3.1** We will never keep your bank card, your PIN, your banking password or any original identity document.
- 3.2** We will never ask you to sign a blank or incomplete document, a blank acknowledgement of debt, or a blank consent to judgment.
- 3.3** We will never lend to you without first doing a credit bureau check and a proper affordability assessment.
- 3.4** We will never charge you total finance charges above the maximum allowed by law for your type of loan. Your interest and your service fee together make up your total finance charges, and that total stays within the legal maximum.
- 3.5** We will never require you to buy insurance as a condition of getting a loan.
- 3.6** We will never threaten you, shout at you, shame you in front of others, come to your workplace to embarrass you, or take your property. Only a court may attach property, and only after a judgment.
- 3.7** We will never take the law into our own hands to collect. We collect by bank transfer, by cash at our office, or by an agreed debit order — nothing else.

4. WHAT WE ASK OF YOU

- 4.1** Give us true and complete information, including all your other debts.
- 4.2** Keep to the due date, or tell us **before** the due date if you cannot.
- 4.3** Tell us within [5] business days if your phone number, address, employer or bank account changes.
- 4.4** Keep your copies of your agreement, quotation and receipts. They protect you as much as they protect us.

5. HOW TO COMPLAIN — STEP 1: TALK TO US

- 5.1** Tell us what went wrong. You may do this in person at our office, by phone on +264 81 264 6222, by WhatsApp, or by email to **[EMAIL ADDRESS]**.
- 5.2** We ask you to put the complaint **in writing** if you can — a WhatsApp message or an email is enough. Please include your name, your ID number, your loan or account number, what happened, and what you want us to do about it.
- 5.3** If you cannot write it yourself, come in and we will write it down for you, read it back to you, and give you a signed copy.
- 5.4** We will acknowledge your complaint within **[2] business days** and give you our written answer within **[10] business days**. If we need longer, we will tell you why and give you a new date.

5.5 We keep a complaints register. Every complaint is recorded, whether or not we agree with it.
