4.1 Making a payment does not change the due date. The due date only changes if QuickServe and the client sign a written extension agreement. Under the Microlending Act 7 of 2018, a change to a

signed loan agreement is only valid if it reduces what the client owes, or if it is put in writing and signed by both of us.

5. THE ORDER IN WHICH WE APPLY PAYMENTS

5.1 Every payment is applied in this order:

1. first, to any legal costs and collection charges;

2. then, to the service fee;

3. then, to interest and default interest;

4. only what is left over reduces the principal.

5.2 This is the order agreed in the loan agreement. It is shown here so the client can check our figures.

5.3 **Worked example.** A client borrows N$2,000.00. The service fee is N$100.00 and the interest is N$500.00, so the total repayable is N$2,600.00. The client pays N$1,000.00. We apply it like this:

Step	Amount
Payment received	N$ 1,000.00
Less service fee	N$ 100.00
Less interest	N$ 500.00
Remainder applied to principal	N$ 400.00
Principal before payment	N$ 2,000.00
Principal after payment	**N$ 1,600.00**
Total still owing	**N$ 1,600.00**

5.4 This means that early payments mostly clear the interest and fee, and the principal comes down afterwards. There is a protection against the balance running away: interest and other finance charges stop adding up once the unpaid interest and charges equal the capital still owing, and they can never grow larger than the capital still owing. This is the *in duplum* rule — in plain words, "never more than double".

6. IF THIS PAYMENT SETTLED THE LOAN

6.1 The applicable box is marked:

Mark	Position
[ ]	The loan is **NOT** yet settled. The balance in clause 4 is still owing.
[ ]	The loan is **SETTLED IN FULL**. Nothing further is owing on it.

6.2 If the loan is settled in full, then within **[NUMBER]** business days QuickServe will, at no cost to the client and without the client having to ask:

6.2.1 cancel any debit order mandate for this loan and present no further debits;

6.2.2 issue a Paid-Up Letter addressed "to whom it may concern", which the client can give to a bank, an employer or another credit provider; and

6.2.3 where we report to a credit bureau, submit the paid-up status of the account to any bureau we reported it to.

7. THE CLIENT'S RIGHTS

7.1 **Statement of account.** The client may ask at any time for a statement showing every charge raised, every payment made and the balance outstanding. The first copy is free. A duplicate copy costs no more than N$2.00 per page.

7.2 **Paying early.** The client may pay extra amounts or settle the whole loan early, at any time, in one or more payments. There is no penalty for paying early, and QuickServe may only charge finance charges for the days the loan was actually used. The client may ask us for a free Early Settlement Quotation on +264 81 281 9840.

7.3 **Explanation.** If anything on this receipt is unclear, the client may ask us to explain it, in a language the client understands, at no charge.

7.4 **Queries and complaints.** Please raise a query with us first on +264 81 281 9840 or at info@quickserve.group. If we cannot resolve it, the client may complain in writing to our Principal Officer, Erastus Taapopi Matheus.
