PRE-AGREEMENT STATEMENT AND QUOTATION

Quotation	**[APPLICATION NO.] -Q**	**Issued**	**[DD / MM / YYYY]**
Application	**[APPLICATION NO.]**	Valid until	**[DD / MM / YYYY]**

This is not a loan agreement and you are not bound by it. It is free. It shows the full cost before you sign anything, so you can think it over, compare other registered lenders, or walk away.

1. YOU AND THE LOAN

Name	**[FULL NAME]**	**ID or passport**	**[NUMBER]**
Cellphone	[+264 __ ___ ____]	Type	Payday microloan, one repayment
Cash paid to you	**[DD / MM / YYYY]**	Repay on	**[DD / MM / YYYY]** (**[NUMBER]** days)
Paid to you by	**[BANK TRANSFER / CASH]**	You repay by	**[EFT / CASH AT OUR OFFICE / DEBIT ORDER]**

2. WHAT IT COSTS

		N$
A	Amount we pay you (principal)	[_____.__]
B	Interest: **[RATE]** % of A, once off	[_____.__]
C	Service fee, once off	[_____.__]
D	**Total cost of the loan (B + C)**	**[_____.__]**
E	**Total you repay, in one payment on [DD / MM / YYYY] (A + D)**	**[_____.__]**

In plain words: we pay you **N$ [_____.__]** and you pay back **N$ [_____.__]**. The loan costs you **N$ [_____.__]** and nothing more.

3. THE RULES THAT PROTECT YOU

3.1 No other charges. No application, assessment, quotation, payout, monthly or insurance fee. B and C are charged once and are flat.

3.2 Pay early, pay less. Settle any time with no penalty. You pay the cost only for the days you had the money (D divided by the number of days, for each day). Ask us for a free settlement figure in writing.

3.3 How payments are used. Each payment goes first to any court-allowed legal costs, then the service fee, then interest, then the principal — even if you ask otherwise. Paying in full on the due date is always cheapest.

3.4 If you pay late. We may charge default interest of up to 5% a month on the overdue amount for at most three months, or less if the law sets less. Nothing else is added: B and C are never charged again. Unpaid interest and charges can never grow beyond the capital you still owe (the *in duplum* rule). Call us before the due date if you will have a problem.

3.5 Before we collect. We tell you in writing before handing your account to a collector or attorney, and send a written demand before going to court. Legal costs are payable only as allowed by the court or taxing master. We report your payment record, good and bad, to credit bureaus.

3.6 What we never do. Take your bank card, PIN or original ID; require insurance; ask you to sign anything blank; deduct from your salary without a separate signed authority; threaten or shame you.

3.7 Statements. Ask any time for a statement of charges, payments and balance. The first and the settlement statement are free; copies cost at most N$2 a page.

4. REPAYING

Pay **N$ [_____.__]** on or before **[DD / MM / YYYY]** into FNB Namibia, account name **Quickserve Financial Services CC**, account **64284783965**, branch code **282672**, with reference **[APPLICATION NO.]**, or in cash at our office. Keep your proof of payment. Cancelling a debit order does not cancel the debt.

5. THIS QUOTATION

If you accept by **[DD / MM / YYYY]** and your circumstances have not changed, your loan agreement will be on exactly these terms and can cost no more. We may withdraw it earlier only if information you gave us was untrue or incomplete, or your ability to repay has materially changed, and we will tell you why. After that date we must reassess. Questions? Ask before you sign; we will explain in a language you understand.
